

THE GALENA CENTER FOR THE ARTS

Arts Prism Events return to the Galena Center for the Arts!

Please join us on Tuesday Sept 30, to hear John Burns, owner and vintner of Barrel Head Winery make a presentation, sharing his passion for bringing out the qualities of the perfect fruit to make an award winning wine. The photo by Garth Fuerste (also one of our artists) shows part of the Barrel Head vineyard nestled amongst the cornfields south of Dubuque. Should be an intriguing evening.

And it's Free!!
