The Galena Center for the Arts

Newsletter for January, 2015

Dear Dennis & Leslie,

HAPPY NEW YEAR!

And thank you for all your support! We are so grateful for the many people who have made donations to the Center for the Arts. We are looking to acquire an overhead projector, comfortable seats and risers for our audiences, and sound equipment with these donations.

Time's almost up for the Pottery Then and Now exhibit and sale of unique artworks created by 17 regional potters and ceramic sculptors. The exhibit also includes a number of one of a kind historic Galena pottery circa 1850. We're open Jan 2,3 and 4 from 1 to 7 PM. Then it's over!

Our main gallery will be closed for the rest of January as we have lots of work to do.

One of our projects is to create an Arts lending library, which will be finished when we re-open. If you have arts related books for which you'd like to find a home, bring them to the Center!

We also hope to have a small table and a couple comfortable chairs in the room, so if you have extra, let us know.

February. 13: Save the date for the opening of our next special exhibit which will feature textiles!

Many thanks to those who have helped supply our needs on our wish list! We now have a microwave, a vacuum cleaner, one TV and DVD player (could still use one more) and a refrigerator! New needs in January will be: a computer and/or computer monitor, and a few handy-man (or handy-woman!) tools so we can stop borrowing tools every time we need to hang another picture.

**Wishing each and every one of you a happy, peaceful,
and Art filled New Year!**
